if the newspaper or periodical contains public news. news connected with sports races are public news. Permission for this publication will be necessary.

Permission to publish 'racing news' was also refused on the ground that it promote the gambling habit.

Sir,

I beg to request you to be so good as to grant me permission to edit, print and publish, within the State of Mysore, a tri-weekly journal (to be published on Tuesdays, Thursdays and Sundays) in the English language entitled " Sports and Amusements" solely devoted to sports (such as Foot-ball, Hockey, Cricket, Tennis, Races, Polo etc.) and Amusements (such as Cinemas, both silent and Talkie, dramas, shows, concerts, musical parties and variety entertainments, etc). The journal will, on no account, deal with any political and religious matters. It will touch upon only such educationa ans social subjects as have a direct bearing on either sports or amusements. What with the keen and ever-growing interest that is being evinced by the public in sports and amusements. I need hardly add that such a journal is an absolute desideratum.
